Notice Regarding Revision to Dividend Forecast

GMO Payment Gateway, Inc. (GMO-PG) has resolved at the Board of Directors meeting held on November 13, 2026, to revise the annual dividend for the fiscal year ending September 2026, as detailed below.

1. Reasons for revising the dividend forecast

GMO-PG places management priority on sustainably securing the necessary internal funds for future business expansion and for strengthening the organization, as well as to sustain a stable level of shareholder returns.

The year-end dividend for the fiscal year ending September 2026 (FY2026) was initially forecast at ¥170 per share, as disclosed in the “Summary of Consolidated Financial Statements for FY2025” released on November 13, 2025. The year-end dividend is expected to increase by ¥17 per share from the initial forecast to ¥187 per share given that FY2026 financial results is expected to exceed initial forecast and in consideration of returning profits to our shareholders.
